Dear Charles,

As promised, I am providing a brief testimonial.

**"We were most impressed by the efficiency and attention to detail provided by Mr. Charles Wilson of European Direct.**

**Charles Wilson not only managed to provide a LHD car with exact specifications required but also to organize all the formalities regarding documentation, registration, MOT, number plates, log book, etc. in a very short time and to give valuable advice and assistance on other matters such as insurance and procedures in Europe, particularly Spain.**

**Our RAV 4 has now safely crossed Europe to the South of Spain.**

**Based on our personal experience, we would highly recommend the services of European Direct.**

**PHILIP and KATHARINA M"**

All the very best,  
Philip
