Dear Charles,

It is with many thanks that we are writing today.

The purchase of our Golf from your good self was made so easy for us through your advise and help.

We had thought that we would be overwhelmed by the paperwork involved in buying a vehicle in Germany and sending it directly to Spain. However it arrived with no delay and the car - which was unseen by us at that point - was in the immaculate condition that you had indicated.

We can find no fault whatsoever with your service and have no hesitations in recommending your Company to all our friends in the future.

We shall certainly return to you before committing to any future vehicles.

With best regards from Dennis and Anne P-L (Glamorgan)
