I am writing today to thank you for all you help with the process of buying and delivering the LHD Ford Focus to the UK

Your service could not be faulted in any way and everything was completed in a most professional manner. You advised me through every step of the way and made buying the LHD car very easy. It is quite difficult to buy a car without ever having seen the vehicle but everything that I asked for was taken care of and the car was in top notch condition for the year

I would not hesitate to recommend your services to anyone who is looking to buy a LHD car and I will certainly use your service again when I change my car and although my wife and I will be living in Spain I have no doubts that your service will be outstanding.

Best Regards
